<b>Personal protection</b>	When using this product refer to the label for details. Where suitable engineering controls are not fitted or are inadequate, wear suitable protective equipment. When selecting personal protective equipment, users should consult their supplier to confirm that the equipment is suitable.  <b>In case of accidental spillage of bulk product, wear personal protective equipment appropriate to the task (see below)</b>
<b>Eye protection</b>	Wear suitable eye/face protection conforming to EN166.
<b>Skin protection</b>	Wear suitable gloves, conforming to EN374. Suitable materials: nitrile rubber
